Dear Judge Katz:

We represent the defendant, Turner Construction Company ("Turner") in connection with the referenced matter. We write at the direction of Judge Keenan to advise you that non-party New York City Economic Development Corporation ("EDC") has moved to intervene as a party-defendant, as Turner has assigned its counterclaims in this matter to EDC.

In light of this potential addition of a party defendant, we respectfully request that the status report required by June 30, 2008 (requested via Your Honor's letter of April 7, 2008) - regarding whether the Court's assistance with settlement efforts might prove useful - be adjourned until the matter of EDC's joinder has been determined and the pleadings amended accordingly.

Respectfully,

David Fultz
